

**Tennis Area**

Tennis hours are 8 am to 10 p.m. Lights go out automatically at 10 p.m., so please plan accordingly. Tennis courts are for the exclusive use of Beachplace residents and their invited guests. Reservations/registration is required during the October to May season. Players may reserve one court per unit, up to 24 hours in advance, through the pool attendant. Playing time is limited to one hour for singles and two hours for doubles. Players may not sign up for another time period while still engaged in play or when others are waiting for a court. The Beachplace staff cleans the courts each morning at 8 am. After that, players are responsible for sweeping courts. Equipment is available at the courts. Players must wear tennis shoes only. Any other type of footwear or bare feet is prohibited. Proper tennis attire is required. An emergency phone is located at the tennis pavilion. This is an intercom line only and will not dial out to units. The telephone will only call the Guardhouse, Maintenance or Management Office.
